

Amendment Shirts and Uniforms (Employee Handbook page 11)
Revised 06/01/2020

The Company requires that all employees are clean and visible as Medic Air employees at all times while on the job. Construction employees are required to wear safety colored clothing on a job site (high visible t-shirts or a vest). Service employees are required to wear a uniform style dress shirt inside a facility. The Company will provide employees with up to six shirts every three months. Employees may order as many additional shirts as they want over the allotted amount at their cost. Shirts are then sold at the Company's cost BOGO (buy one get one free); shipping costs may apply.
