

PIECEWORK AGREEMENT

This is an Agreement between Medic Air Systems, Inc. and (Employer) and _____
_____(Employee).

The work to be performed under this Agreement is as described below (Work):

1. Installation for Plumbing of DWV, Showers, Water pipe, Fixtures and Trim and HVAC of Duct, Refrigerant lines, Equipment, Drain lines, Insulation and Wiring that you will be paid for by the number of pieces that you complete rather than the amount of time it takes to do the Work.
2. The rates for each piece will be established by the Employer and provided to the Employee for each job on a Schedule "A". Rates may vary from job to job.
3. The minimum piecework rate(s) which must be paid by the Employer to the Employee for performing the Work is based on the minimum wage in the state the Employee will be performing the Work.
4. The Employee will be paid the piecework rates for Work completed or minimum wage; whichever is greater.
5. The Employer may deduct a 10% retention from Employee's weekly total on the Work until the Work is tested and inspected. Should the Employee's Work fail testing and/or inspection, the Employee will be expected to correct their Work without additional compensation. If Work passes inspection, the retention will be paid out to the Employee on the next payroll.
6. The Employee is employed as a full-time / part-time employee (circle one).

The Employer and the Employee agree to enter into this Piecework Agreement (Agreement) this _____
